

## Foundation Studies

## Stationery

- A4 lined writing pad.
- Pen, pencil, ruler, rubber, coloured pencils, highlighter.

## The Common Room

We are very fortunate to have our very own common room, with comfortable seating, for you to sit and chat with your friends or to just be able to eat your lunch in a quieter environment. It has its very own TV, games console, dartboard, radio plus much more to entertain or just give you a place to collect your thoughts. Our staff room door is always open and staff are extremely helpful and supportive so please don't worry or be afraid to ask us a question!

We don't do stress in Foundation Studies that is reserved for our Head of department!
