

MEDIA & MUSIC

Welcome to our Media and Music newsletter specially created for you to see what's been happening in the departments you will be joining this September.

Our students have been studying harder than ever, despite the lockdown restrictions, which meant new ways of working from home for much of the year.

Highlights include great university offers, College awards and some fantastic online videos and performances.

YOU MAKE MY DREAMS COME TRUE

Media students produced their own take on the Hall and Oats classic song during lockdown. Featuring students and tutors the music video certainly put a smile on our faces during troubled times.

UNIVERSITY OFFERS

Audio & Music Production student, **Dominic Ball**, is going on to study music production with a choice of university offers.

The former Westleigh School pupil said: "It was great to access lots of music production facilities. The highlight of the course was being able to record my EP as part of my end of year project - I got to produce, mix and play all the instruments myself."

Audio & Music Production student, **Jack Foster** performed well to secure offers from the **University Of Huddersfield** and **Nottingham Trent University**.

Jack said: "I like the creative side of the course. It's been great to have access to the studios and record music with industry standard equipment."

TEARJERKER LOCKDOWN PERFORMANCE

Music student Zachery Hill's rendition of We'll Meet Again hit a nerve when we were all missing our friends and families at the height of lockdown.
