PRE-APPRENTICESHIP PROGRAMME

Aged 16-24?

Full-time college study not for you - wanting to secure your next steps into employment?

Looking for an apprenticeship but don't feel ready for work?

Don't worry. Our Pre-Apprenticeship Programme will help you develop the skills you need to build confidence for the workplace.

The **free** six-month programme includes help for you to:

- Improve your personal presentation
- opportunity to gain real work experience to build your CV
- get interview ready
- improve your English and Maths
- develop your confidence.

You will spend the first few weeks in College, then the rest of your time gaining real work experience, with support from us along the way.

Our commitment to you:

- You will become part of our talent pool - which means we will promote you to our bank of over 1,000 employers
- we will put you forward for interviews, supporting you with preparation
- we will give you financial support with the expenditure and costs associated with attending an interview
- you will have a free bus pass.

As the largest college provider of apprenticeships in Greater Manchester we have established links with employers across the region and a wealth of experience developing people to become ready for work.

MATTHEW BELSHAW

Former: Hindley High School

Work Placement: Bridgewater Community Healthcare NHS Foundation Trust, Leigh NHS Walk in Centre

Matthew started by doing a Level 2 Business course but wanted to do an apprenticeship. As he wasn't quite ready for that step he enrolled onto the Pre-Apprenticeship programme.

During the course Matt started a placement at the Leigh NHS Walk in Centre. This experience led him to impress staff and he has now gained a lucrative apprenticeship in a business administrative role with them.

"The course benefited me because the information I learnt helped me to improve my communication and leadership skills; I'd definitely recommend the course as it provides great opportunities."

SO WHAT ARE YOU WAITING FOR?

Pre-Apprenticeship Programmes start from April 2019.

Available at Parsons Walk Centre, Wigan & Leigh College and Leigh College.
