

Uniform

Wearing uniform to college is mandatory, you are also required to wear this whilst completing work placement unless told otherwise by the placement provider.

We ask that they are purchased and worn at the earliest opportunity, however we allow until November 1st (return from half term) before this is enforced.

There is an option of a crew neck t-shirt, polo t-shirt and hoodie. Whilst in college this should be worn with suitable pants, jeans or leggings of your choice, however before beginning placement you should check with your placement provider what they require you to wear uniform with.

Estimated prices: Hoodies £20.00, Crew neck t-shirt £7.00 and Polo t-shirt £8.00.
